THE BRIDGE

***CAPE FEAR TECHNICAL
INSTITUTE***

***4111 North Front Street
Wilmington, N.C. 28401
Volume XVII***

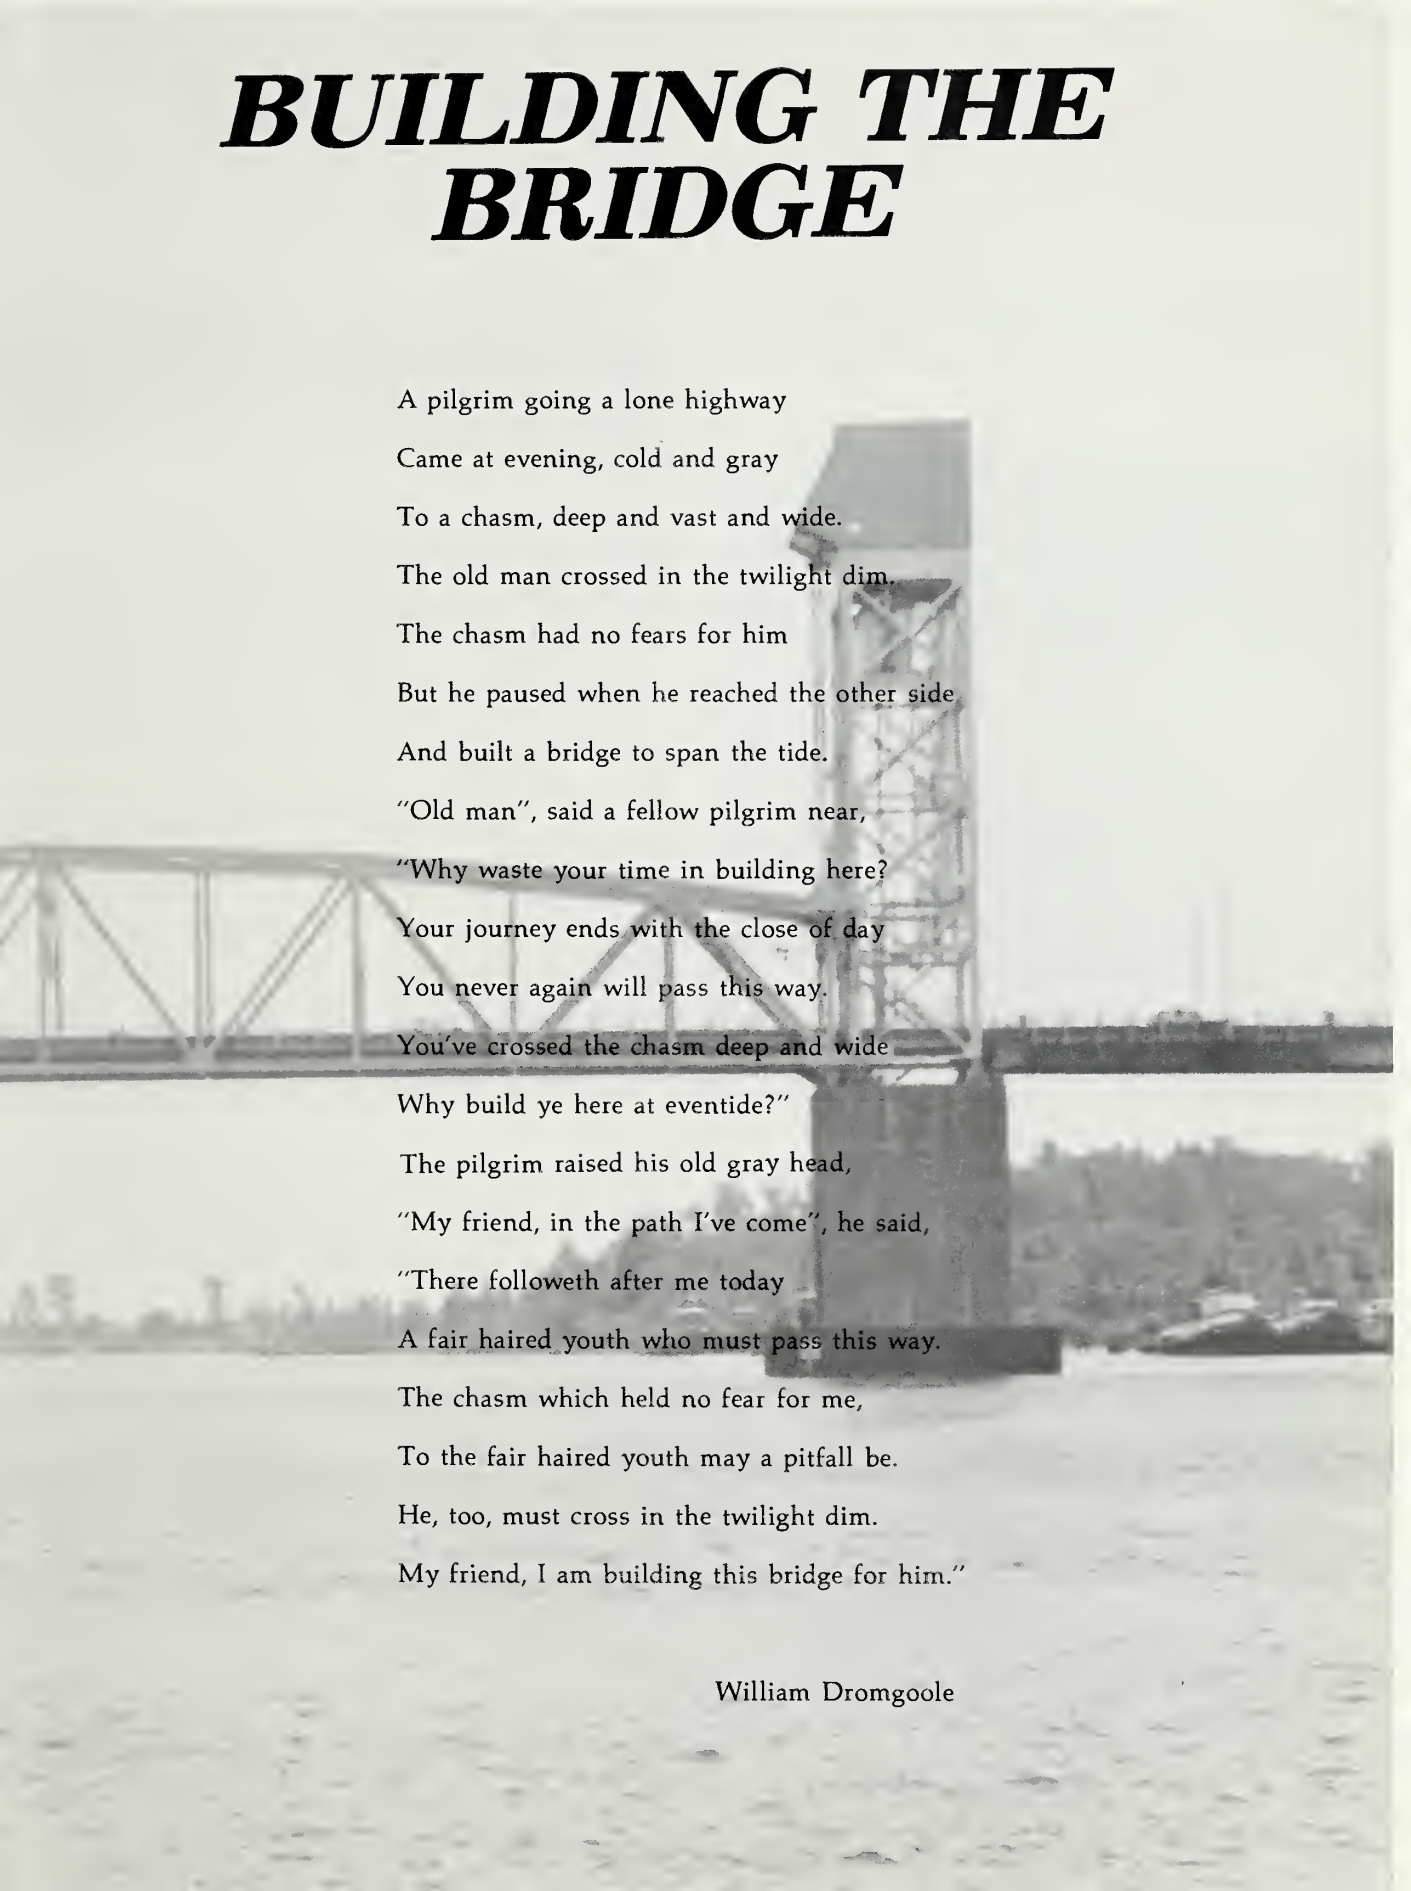

FORWARD

This edition of "The Bridge" is significant in two ways. Of most importance — it is the first one under our new President. We hope that as its pages are perused, each student will feel a little closer to his school; and he will be glad to have been here.

Secondly, this school is a bridge over which those seeking skills can cross into the areas of job security, better pay, and advancement. The technician and the tradesman can graduate from our school and suddenly be in demand, whereas before, he perhaps had no saleable skill. These graduates and our current students are our greatest assets.

This edition of "The Bridge" is dedicated to our new President and to those who have crossed or are now crossing the bridge.

BUILDING THE BRIDGE

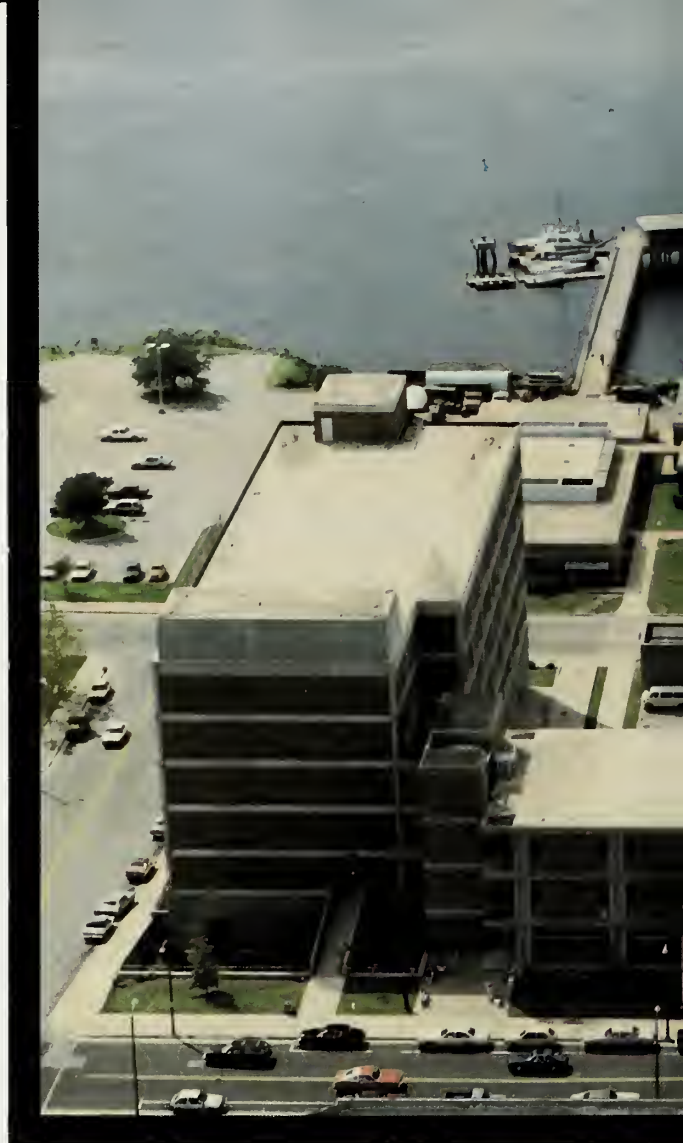

A pilgrim going a lone highway
Came at evening, cold and gray
To a chasm, deep and vast and wide.
The old man crossed in the twilight dim.
The chasm had no fears for him
But he paused when he reached the other side
And built a bridge to span the tide.
"Old man", said a fellow pilgrim near,
"Why waste your time in building here?
Your journey ends with the close of day
You never again will pass this way.
You've crossed the chasm deep and wide
Why build ye here at eventide?"
The pilgrim raised his old gray head,
"My friend, in the path I've come", he said,
"There followeth after me today
A fair haired youth who must pass this way.
The chasm which held no fear for me,
To the fair haired youth may a pitfall be.
He, too, must cross in the twilight dim.
My friend, I am building this bridge for him."

William Dromgoole

Some major improvements have been made to the landscaping at Cape Fear Technical Institute during the past year; the lovely flower beds you see adorn the walkways and other outside areas of the school. This beauty results from the expertise of our new landscaping firm, James A. Jones Horticultural Services.

Members of the Cape Fear Technical Institute's faculty, on the job — some at work in the conventional classroom — another at work preparing for class aboard the Dan Moore, our training vessel

Even faculty members need a break after a long day in the classroom.

Students enjoy some time out from class. For some this means getting something to eat from our cafeteria; for others it means a serious game of Pool.

A large delegation from CFTI attended the Spring 1985 N4CSGA Conference in Raleigh North Carolina, including two members of our Alumni Association.

Class pictures were taken by Olan Mills Company this year and some of the students weren't sure if what they were wearing would show up well enough.

Cape Fear Technical Institute students are serious about their activities; as can be seen by the number of students who ran for SGA offices this year; but, even Dr. Satterfield and Mr. Bartlett take time out from their serious duties to have a little fun at the SGA Christmas party.

Bruce MacKenzie shows his class how easy it is to make an oar during a beginning boatbuilding class.

The Drafting students and faculty prepare for a drafting class to begin.

During the Spring commencement exercises Ike Brown, SGA President presented Mr. M.J. McLeod, outgoing CFTI President, with a plaque commemorating his many years of service to CFTI and to the SGA.

Also on hand to congratulate the graduating class was Carl Malpass, Dean of Student Affairs and Patricia Roderick, past SGA President and CFTI Alumni Association Parliamentarian.

Ms. Barbara Schwartz attended the spring reception for graduates sponsored by the CFTI Alumni Association.

SGA HOTDOG ROAST

Our cameraman couldn't resist this shot of Tony Villone, (a student in Business Administration) the new "star" of "Miami Vice" at the beginning of the fall quarter.

Cape Fear Technical Institute has some of the prettiest girls in the state; as witnessed by those turning out for our Ms. CFTI Pageants. Ms. CFTI — 1984 and her court graced our float in the 1985 Azalea Parade.

Mr. Malpass, Dean of Student Affairs and SGA President, Ike Brown contemplate whether they should order more food for the SGA Fall Hotdog Roast.

SGA PRESIDENT

This is Ike's second year as SGA President. He has also served as Treasurer of CFTI's SGA and as Specific Problems Chairperson for the N4CSGA. Ike has brought to the office of President a new respect and professionalism that heretofore has eluded it. Our thanks go to Ike Brown for a job well done!

Isaiah "Ike" Brown
 Curriculum: Light Construction
 Residence: Wilmington, North Carolina
 Activities Include: Membership in several local organizations;
 and in the N4CSGA as a member of the
 executive council serving as
 Parliamentarian.

Jamie Garrett***

SGA HALLOWEEN PROGRAM

Contestants and audience alike seemed to enjoy themselves at the SGA sponsored Halloween party held in the cafeteria area on October 29th.

Judges for the contest were:
Opposite Page — Left to Right;
Ms. Ada Davis
Public Relations Director

Ms. Regenia Lewis
Secretary, Student Affairs

Dr. Mary B. Rea-Poteat
Director of Planning and
Placement

Mr. William A. Crawford
Audio Visual Librarian

MS. CFTI 1985-86

Ms. CFTI 1985-86
Deborah Nelson
Practical Nursing

1st Runner-up
Lena McClellan
Business Administration

2nd Runner-up
Jamie Garrett
Criminal Justice

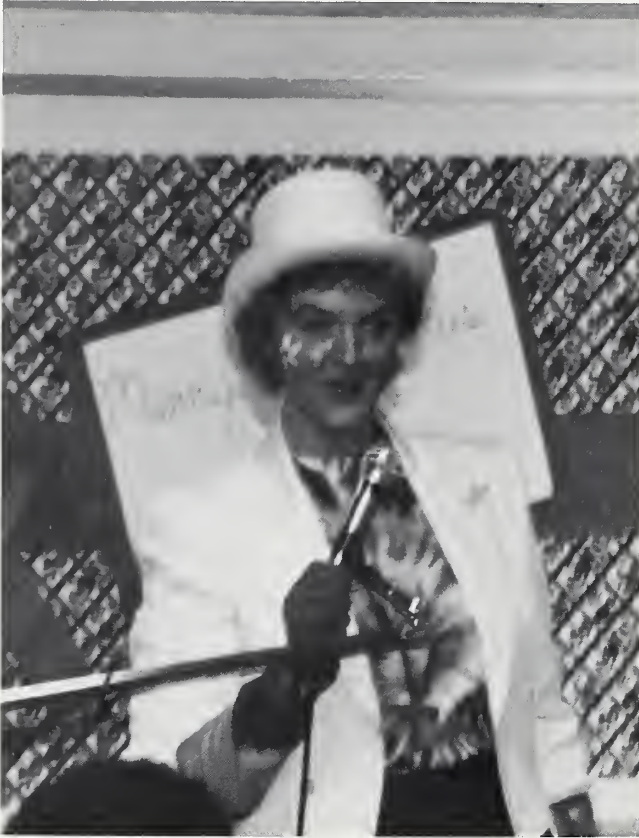

Judges for the Ms. C.F.T.I. Pageant were — left to right: Ms. Ada Davis, Mr. James Canty, Ms. Marjorie Spearman, Mr. Henry Bethea, and Ms. Regenia Lewis

Participants in the Ms. C.F.T.I. Pageant were judged in five categories. Evening gown, casual wear, sportswear, group dance, and public speaking. Judges took into consideration how well the contestants worked with each other, their poise, and in particular, how well they answered questions put to them by the judges.

After the pageant Mr. and Mrs. Nelson posed proudly with their daughter, the new Ms. CFTI.

SGA CHRISTMAS PROGRAM

Left Page:
Top;
Ms. Jo Thornton in her portrayal of
Kelly The Clown.
Bottom;
Wilmington Christian Academy Choir

This Page:
Top;
One of our student's tells Santa what
she'd like for Christmas.

Middle;
The Sunset Singers, from Sunset Jr.
High School, Wilmington, North
Carolina.

Bottom;
Left to Right; The Faculty Four, Charles
Hunnicut, Dr. Averette, Carl Malpass,
and Dale Buck.

This year's Student Government
Association's Christmas Program,
was a great success — with enter-
tainment provided by Kelly The
Clown, (Ms. Jo Thornton) The Fac-
ulty Four, and Ken Farrar, accom-
panied by Ms. Libbie McPhaul on
the piano. The Sunset Singers, and
The Wilmington Christian Acade-
my Choir, also performed for us,
and as usual, our own Jim
Bartlett, entertained young and
old alike, with his portrayal of
Santa.

CFTI SEA-DEVIL NEWSPAPER

Cape Fear Technical Institute's Newspaper Editor, DeeDee Rackley, and Student Activities Director, Rick Stewart, plan the next issue of the "Sea Devil" prior to publication.

DeeDee has learned that along with planning, there is a huge amount of typing, and other work involved in publishing the newspaper for the students of Cape Fear Technical Institute.

CAPE FEAR TECHNICAL INSTITUTE VISITING ARTIST

Robert Williams

Robert Williams is a Concert Saxophonist who performs programs of Classical, Jazz, and Ragtime Music. He performs on Soprano, Alto and Tenor Saxophones.

Mr. Williams has studied Saxophone with Kenneth Deans, Stanley Morris, Bob Shurley, and James Houlik. He received the Bachelor of Music in Saxophone Performance from the North Carolina School of the Arts in 1983. While at the North Carolina School of the Arts, he won the 1980 Concerto Competition.

Robert Williams is above all a moving, emotional performer. The variety and beauty of tone colors he draws from his saxophones is phenomenal. His command of classical, and Jazz styles, his versatility on three saxophones, and his ability to communicate with his audience in an engaging and informative manner have made him a performer in great demand.

The Visiting Artist Program

The Visiting Artist Program is a joint venture by the North Carolina Arts Council and the North Carolina Community College System. The purpose of the program is to deepen the appreciation and cultivation of the arts within the technical and community colleges and the communities which they serve.

Chem. Lab. Students

SPORTS

Sports at C.F.T.I. include:
 Men's Basketball
 Golf
 Tennis
 Men's Softball
 Women's Softball

Members of the Golf Team practice on the driving range, before teeing off at Echo Farms Golf Course. Basketball, Softball and Tennis were popular sports this year at C.F.T.I.

CFTI's CHESS CLUB

Chess is one of the oldest of the Institute's extra-curricular activities. The annual Thomas Green C.F.T.I. chess tournament took place with eight participants this year. Trophies go to the C.F.T.I. champion and runner-up.

Two members of the Chess Club in tournament play with Mr. Bright, Chess Club Advisor, and Ike Brown, a member of the club looking on.

Ike Brown and Ken Farrar, members of the Chess Club have a friendly game of chess.

Saturday.

GROWING with the CAROLINAS

Carolina Power & Light Company began providing electric service in 1908.

In those early years, we made a commitment to help our service area grow and prosper by providing reliable electric power.

Today, we serve more than 800,000 customers in the Carolinas. We're still committed to being a reliable source of energy and we're using America's resources—coal and nuclear—to meet the electric needs of a growing area.
